Based on 25% Syllabus

Time: 3 Hours | Maximum Marks: 80

Section A – Reading Skills (20 Marks)

Q1. Read the passage carefully and answer the questions that follow. (10 Marks)

Discipline is one of the most important qualities in a student's life. It teaches a person to obey rules and remain punctual.

A disciplined student respects teachers, completes work on time and remains focused on studies. Discipline also helps people achieve success in life.

Nowadays many students waste time on mobile phones and social media. This affects their concentration and reduces their interest in studies. Parents and teachers should guide students properly and encourage them to develop good habits.

A disciplined life brings happiness, confidence and respect in society.

Answer the following questions:

Why is discipline important in student life?

What qualities does a disciplined student have?

What affects students' concentration nowadays?

Who should guide students properly?

Find a word from the passage which means 'on time'.

Vocabulary:

(a) Find the synonym of 'encourage' from the passage.

(b) Find the antonym of 'success' from the passage.

Q2. Read the passage carefully and answer the questions that follow. (10 Marks)

Trees are very important for human life. They provide oxygen, fruits, wood and medicines.

Trees keep the environment cool and reduce pollution. Birds build nests on trees and many animals depend on forests for shelter and food.

Unfortunately, people are cutting trees rapidly for roads, buildings and industries. This causes deforestation and leads to global warming. Lack of trees also causes floods and soil erosion.

People should plant more trees and protect forests to save the environment for future generations.

Answer the following questions:

Why are trees important?

How do trees help the environment?

Why are people cutting trees?

What problems are caused by deforestation?

Find a word from the passage which means 'protection'.
